

19.-21.02.2016

Dear Curling friends!

The Curling Club Niederdorf is the first active Curling Club here in South Tyrol, Italy, and the organizer of the “Südtirol Curling Cup”. Members of the organizing committee are internationally well-known curlers like Franco Zumofen and Antonio Menardi from Italy as well and Swiss Jean-Pierre Rüttsche!

All editions of our event became a great success because of the beautiful scenery, genuine hospitality, friendly atmosphere and international participation. This year we had wonderful moments with 26 teams of all over the world, back to the heart of the Dolomites, Lago di Braies lake. Thank you to all our “old” and “new” friends.

So we are pleased to invite you to the
