Strong performance by the Broombastics, finishing 5th in a highly ranked tournament in Basel

The team composed of Marc Promme, Yves Sieradzki, Jörg Moeser (Skip) and Jens Herber competed at the 3-border tournament in Basel end of november.

After 3 consecutive wins over Awesomesauce (NL) 8-7, Besançon (Fr) 8-7 and Mulhouse (Fr) 8-2 and a loss against a strong French team from Strasbourg 3-5, our team qualified for the final round.

In an open and highly competitive game the Swiss team from Albeina had a narrow victory, scoring 4 points in the last end which not only gave them the win (4-9) over the brave Luxembourgians but also the overall tournament victory.
