Team Magicians wins the National Championships 2015

On the end of January, the Luxembourg Curling Federation held the National Curling Championships . The three participating teams played each other in a double round-robin tournament format, with each team having four matches each.

At the end of the tournament, last year's champions Team Hansen / Benoy had retained their title :

1. Team HANSEN: 4 wins (23 Ends, 33 stones)
(Yannick Hansen (Skip), Marc Hansen, Ian Munn & Alex Benoy)
2. Team WAUTERS: 1 win (10 Ends, 15 stones)
(Kyle Edwards, Karen Wauters(Skip), Candice Richards & Frank Yünlü)
3. Team MOESER: 1 win (7 Ends, 17 stones)
(Marc Promme, Yves Sieradzki, Jörg Möser (Skip) & Jens Herber)

Victory in this competition allows the team to compete for one year as the Luxembourg National Team and participate in the European Championship C-Division organised by the World Curling Federation in Champéry, Switzerland, in October.

PS: Team Broombastic was hit by a lot of injuries. Indeed Marc Promme , Jens & Yves were injured during the Nationals and we wish them all a quick recovery.

The club is also proud to present the winner, Jules MATHEY, as a new and youngest member of the club.

For the first time, the club gave an introductory course to school students. The pupils from the Lycée of Wiltz gave a positive feedback and a handful of them would have wanted to join a curling club if there were one close to Wiltz.
