Training session with Shari Leibbrandt

In February the club arranged for the second time an intensive training weekend with the Netherlands' national team coach Shari Leibbrandt.

Every participant, beginners and advanced, benefitted from Shari's huge experience and her skill to engage with everybody's strengths and weaknesses.

We again had a lot of fun and are looking forward to the next edition!

Breaking News !!!

Following irreconcilable differences, a number of committee members have decided to resign. As a result of this, the committee no longer had the legal minimum number of members (5).

As a matter of urgency, we had to elect a new committee at an Extraordinary General meeting that took place on February 25th at Kockelscheuer where the sole purpose of that meeting was to elect a new committee.

Eight curlers nominated themselves and were all elected as members to the new committee which will start its work on March 2nd. During this committee meeting, **Dan KELLY** was elected new President of the club.

Names & functions of the new executive committee can be found on www.curling.lu

Curling kenneléiren an ausprobéiren: Option Sport et Santé 2e

De Marc Hansen, de Yannick Hansen an den Daniel Kelly vum Curling Club Hiversport Lëtzebuerg hunn eis een Dënschden de Nowend , de 27. Januar 2015, hire Sport virgestallt.

Mir hunn d'Sportart, déi zanter 1998 olympesch ass, mat hire Regeln an Dimensiounen kenne geléiert, an duerften de "Spirit of Curling" an der Praxis op der 40 Meter langer a 4,75 Meter breeder Bunn erliewen.

Den "dolly shot" ass eis leider net gelong; den een oder aneren "take out" oder "guard" hu mir awer réusséiert. Dat ustrengent war d'"sweep'ën".

Fir den Ausdrock vun enger Schülerinnen ze benotzen: De Curling-Owend wor mega "epic".
